

Kentucky Section - American Institute of Professional Geologists (KY-AIPG) Presents a Professional Development Course

“Review and Skills for Professional Geologist Exams”

SCHEDULE: Saturday, February 13th, 2016, check-in 7:45 a.m., class 8:00 a.m. – 5:00 p.m.

Detailed information on the course can be accessed at <http://ky.aipg.org/Announcements.htm>

DESCRIPTION: This course is intended to be one component of exam-preparation strategy for prospective exam-takers; it will not replace the long term effort of review but is designed to help candidates focus their preparations more efficiently. Topics to be covered include the design and intent of professional geology exams, and rapid-fire review of content-area topics such as structural geology, petrology, engineering geology, hydrology, and map/data interpretation, among others. Other review resources for the budget-minded exam-taker will also be presented.

Disclaimer:

ASBOG does not endorse or support any review course or course preparation materials. The only official source of information for the ASBOG Professional Geology Exams can be found at the ASBOG website: (www.asbog.org). Potential exam takers are encouraged to carefully review the ASBOG Candidate Handbook. The Kentucky Board of Registration for Professional Geologists cannot support or endorse any exam preparation materials or courses. Attendance of the course does not guarantee success on the exams. Course handouts are not designed as stand-alone study guides.

Attendees will receive a certificate for eight (8) Professional Development Hours, a printed handout of the class review notes, and lunch with snacks and refreshments.
