

Practical Preparation for Professional Geology Exams

This one-day workshop is intended for candidates considering the Professional Geology exams. Participants can expect to discuss exam context, strategies for exams, resources for self-assessment and preparation, and review of basic geology concepts that could be covered on the exam.

Date: Saturday, Feb. 15, 2025

Time: 8:30am-4:00pm (check-in 8am)

Where: AST Environmental

665 McKinney Ave, Midway, KY 40347

Cost: \$150.00

Provided: instruction, handout packet, PDH certificate, lunch and snacks.

**Workshop instructor:
William Andrews, PG, PhD,
successfully passed the exams and
has more than 20 years experience
guiding exam candidates toward
successful strategies.**
